

What have we been learning?

WB: 05.02.24

This week, nursery and reception have been learning about the traditions that are practised and celebrated during Chinese New Year. We changed our role-play corner to a Chinese restaurant. The children served customers, made food and enjoyed serving their friends.

In class, we explored how to use chopsticks, created our own lanterns and had a go at writing numbers in Chinese. We also created our own dragons to represent the Year of the Dragon.

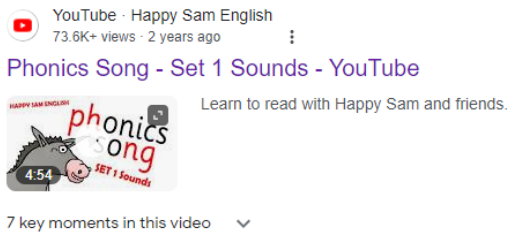

How can you help your child with their learning?

Reception phonics

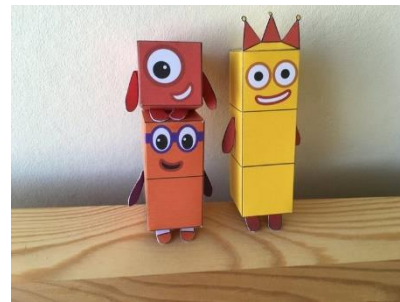

Watch the video to recap the sounds your child has been learning this half term.

Maths

This week we have been using the number blocks to look at different ways of representing numbers. During the half term, can you create your own number block?

Nursery rhyme of the week

Five Little Speckled Frogs
