

What have we been learning?

WB: 29.04.24

This week, we have been learning all about spiders! We used toilet roll tubes to print spiders and chalk to draw the webs. We have been learning about where spiders live. The highlight of our week was finding a spider in the dark corners and cracks of the shed.

In PE, we have put together a sequence of skills: jumping, crawling, hopping and rolling.

How can you help your child with their learning?

Nursery maths home learning

This week, nursery has been learning to solve real word problems to 5. We used our nursery rhyme 'Five Little Speckled Frogs' to subtract numbers to 5.
