

What have we been learning?

WB: 03.06.24

Looking After Our World Studies

We are learning to understand that God created our world and that humans must look after it. As a class, we explored our environment to identify the parts of the world that God had created.

We are learning to understand what happens to the rubbish we put in the bin. The children also discussed how we can reuse things for different purposes to reduce waste.

How can you help your child with their learning?

Nursery Rhyme of the week

The wheels on the bus

BBC Teach - School Radio - Reception / EYF5 - Nursery Rhymes and Songs
