

What have we been learning?

WB: 10.06.24

Our topic this half-term is 'Journeys and transport'. This week we have been learning to name vehicles needed for transportation.

In maths, nursery and reception, have been learning about 2D and 3D shapes. They have been creating pictures using shapes.

They have been learning about the names and properties of 3D shapes. They really enjoyed listening to the 3D shaped song!

How can you help your child with their learning?

Nursery poetry recital

Next Thursday nursery will be performing 'Down in the jungle' in their poetry recital. Please take the time to practice it at home this weekend.

Down in the jungle
