#### Progress in 2020 and 2021

Unlike in previous years the school was not able to compare the pupil's progress to national progress of those with similar starting points during those academic years as there was no national data. This cohort of children did not complete externally validated SATs at the end of each key stage in the same way as usual, so calculations cannot be completed with a comparison.

#### Progress in 2021-2022

Progress for reading and writing is **significantly above** the national average and progress in maths is **inline** with national average.

#### Progress in 2022-2023

Progress for reading, writing and maths is **in line** with national average.
