

What have we been learning?

WB: 09.12.24

This week in EYFS, we have been fully immersed in the Christmas spirit! From celebrating Christmas Jumper Day to enjoying a festive Christmas dinner, the excitement has been building. Our children also delighted in watching a fun Christmas pantomime and proudly performed in our Nativity play. We would like to extend a heartfelt thank you to all our families for their continued support during this joyful season. It's been a wonderful time of celebration and togetherness!

Sound Blending Book 7

In Read Write Inc Book 7, we are learning to blend sounds with 'special friends'—diagraphs such as 'sh', 'ch', 'th', and 'ng'. These are pairs of letters that work together to make one sound. For example, when we read the word "ship," we break it down into three sounds: 'sh' (the special friend), 'i', and 'p'.

Nursery rhyme of the week

This week in maths, we have been learning to count one less, using the nursery rhyme "Five Currant Buns." As we sing along, we take away one bun at a time, helping us understand the concept of subtraction.

EYFS visit London Zoo to see Santa

This week, our EYFS children had a magical trip to London Zoo! They explored the zoo's amazing animals, including penguins, butterflies, flamingos, and camels. The highlight of the day was a special visit to Santa, who shared fascinating stories about the animals that live in the North Pole. The children had a fantastic time, learning and discovering the wonders of the animal kingdom while getting into the festive spirit. What a wonderful day filled with fun and festive cheer!
