

## What have we been learning?

WB: 06.01.25

### Happy New Year and Welcome Back to the Spring Term at St. Patrick's!

We are excited to kick off the new term with lots of fun and engaging learning! This week, we began by exploring the celebration of Chinese New Year. Our role play area has been transformed into a bustling Chinese Restaurant where the children are having a blast taking orders, reading menus, and cooking up delicious dishes.

We've also added some new toys to our classroom, including prams and dolls, which the children are thoroughly enjoying.

This term, our topic is 'Underwater,' and we've already started learning about where water comes from, including rivers, lakes, natural springs, and the ocean, before it reaches our taps. The children have been creating beautiful paintings of these water sources and having fun exploring the water tray.

### Key Reminders for the Week:

- Please ensure your child wears their PE kit on Thursdays for their physical education activities.
- As we move into the colder months, please make sure your child is dressed warmly with a coat, hat, scarf, and gloves to stay comfortable outdoors.

Thank you for your cooperation!
