

What have we been learning?

WB: 27.01.25

This week has been all about the wonders of the sea! We've been learning the names of some amazing sea animals, like whales, octopuses, and whale sharks, and having fun with them in our paddling pool. Our new role play area has been bustling as we've been cooking up some fish and chips, getting ready for our exciting trip to Sea Life London Aquarium on Monday, 3rd February. Don't forget, children will need to bring a **rucksack** for their lunch, as there are no cloakrooms available. Please, **no book bags or string bags!**

We've also been diving into Spanish, learning how to greet others, ask how they're doing, and beginning to learn our colours. Check out the video links below to see what we've been up to!

We would like to kindly remind everyone that the RWI Red Ditty Book Bag Books need to be returned to school every Friday. As we have a limited number of these books available, we ask that children refrain from writing in these books, as we re-use them each year. Keeping them in good condition ensures they can be used by many students over time.

Thank you so much for your cooperation and support!

Nursery rhymes of the week
Nursery: Hickory Dickory Dock
