

What have we been learning?

WB: 03.02.24

This week, our children had an unforgettable trip to Sea Life London Aquarium! We travelled by tube, where the children practiced getting on and off the escalator safely. Once at the aquarium, we were amazed by the incredible sea creatures we saw! From sharks and manta rays to turtles and tiny sea horses, there was so much to discover. The jellyfish were absolutely mesmerizing, and we even spotted some adorable black and orange clownfish. It was a fantastic day of learning and wonder that we will always remember!

This week in maths, we've been exploring how to compare the mass of different objects! We read the delightful book "*Who Sank the Boat?*" and used small world animals to figure out which ones were the heaviest and lightest. The children had great fun weighing the animals and discussing why the boat sometimes floated and sometimes sank. It was a wonderful way to introduce the concept of mass and buoyancy while engaging in a hands-on activity!

Movie afternoon!

Last Friday, we had the best time watching *Despicable Me!* The children were all snuggled up with their
