

What have we been learning?

WB: 24.02.25

This week, we've been taking part in exciting road safety studies! Our focus has been on the THINK! road safety campaign, where we've learned the important steps to stay safe when crossing the road: Stop, look, Listen, and Think. To make learning fun and interactive, we've had the chance to role-play road safety using bikes and scooters. We've also made a promise to always hold hands with a trusted adult while crossing the road. In addition, we've created our own traffic lights, zebra crossings, and road maps to help us understand traffic safety better. It's been a week full of learning and fun!

Listen to the safe journeys anthem and remember...

STOP, LOOK, LISTEN AND THINK!
