

What have we been learning?

WB: 17.03.25

On Monday, we explored the life of St. Patrick, the patron saint of our school. We visited the school office to see his statue and discussed how St. Patrick helped the people of Ireland learn to pray. We also shared the traditional story of him banishing snakes from Ireland. Our learning continued as we looked at the symbols and traditions associated with St. Patrick's Day, such as wearing green, attending parades, watching Irish dance, and seeing shamrocks and Ireland flags. It was a fun and educational day celebrating St. Patrick's impact on Ireland!

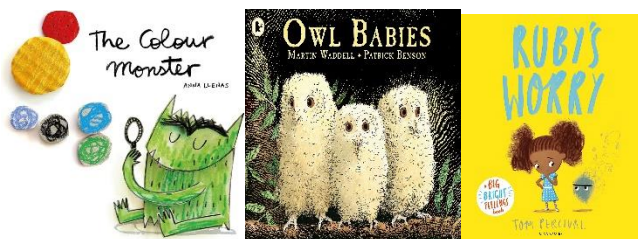

This week, we've been diving into the classic tale of *Jack and the Beanstalk*! We've had so much fun orally retelling the story using our small world scene, bringing the adventure to life. Afterward, we got our hands dirty by planting our very own kidney beans, and we can't wait to watch them grow into something amazing. Stay tuned for updates on our little green sprouts!

Coffee Mornings

Thank you to the parents who have attended the Wednesday coffee mornings. The Professionals from the Children and Adolescent Mental Health Service team (CAMHs MHST) came and spoke to us about how to support your children with their worries.

Here are some recommended books to read with your child to support their mental health and emotions.

Nursery rhyme of the week
