

What have we been learning?

WB: 24.03.25

This week, we've been diving into the world of vegetables! We read *Oliver's Vegetables*, where we identified all kinds of veggies, then got hands-on chopping up avocados, beetroot, spring onions, peppers, celery, tomatoes, cucumbers, sweetcorn, and more! After all that hard work, we enjoyed a delicious salad together as a class.

In RE, we focused on the significance of Good Friday and Easter. We listened to the story of Good Friday, learning why we celebrate Easter, and created beautiful sunset paintings to represent Jesus' death on the cross. The children reflected on the story's meaning, discussing how Jesus gave his life for us.

Good Friday prayer

This is the wood of the cross on which
Jesus died.

Let us remember him.

Jesus, remember me when you come
into your Kingdom.

Jesus, you are so good.

Help us to grow in goodness.

Jesus, you are so kind.

Help us to grow in kindness.

Jesus, you are so caring.

Help us to grow in caring.

Jesus, you are so loving.

Help us to grow in loving.

What have we been learning?

WB: 24.03.25

This week, we've been exploring the meaning of Mother's Day and why we celebrate it. The children shared heart-warming thoughts about what makes their mothers special and discussed ways we can show gratitude for all they do. To celebrate, the children created beautiful cards just for you! We hope you have a peaceful and restful Mother's Day, filled with love and joy.

Mother's Day prayer

Mother's Day Prayer

Dear Lord,
We thank You for the gift of mothers, for their love, guidance, and care. Please bless them with Your grace, strength, and wisdom as they continue to nurture and support their families. Surround them with Your love and peace, and let them know how deeply they are appreciated and cherished. In Jesus' name, we pray. Amen.
