Go shine
in the world

Dear Parents and Carers,

Sports Day reminders: Children received a letter about this already.

A reminder that we have our **Year 4, Year 5 and Year 6 Sports Day** at Parliament Hill Athletics track on **Monday**. These classes should come to school dressed in their full PE kits. We look forward to meeting you up there just before 10am (ready to start for 10am!). This Sports Day will run from 10-11.30am. Children will be back at school in time for their lunch.

Next **Wednesday**, it is Sports Day for **EYFS, Year 1, Year 2 and Year 3**. These classes should come to school dressed in their full PE kits on this day. Sports day will run from 9.30am until 11.00am. The school gates will be open to parents wishing to attend at 9.15am. When sports day is finished, children will go back to their classrooms and continue the school day as usual.

With best wishes, Miss Toop (Head of School) and Ms. Richardson (Executive Headteacher)

Looking After Our World Studies

This week, children at St Patrick's have been learning all about how to look after our world. They have been exploring ways to protect the environment, from reducing waste to planting flowers that help local wildlife thrive. Through hands-on activities and lively discussions, they've discovered the importance of recycling, conserving energy and caring for nature. Do talk to them about their new learning.

Maitland Park Care Home Visit

This week, our Year 4 pupils enjoyed a heart-warming visit to Maitland Park Care Home — their third this year! They played games, learned dominoes, and sang classics like *The Lambeth Walk* and *Hey Jude*. It was a joyful afternoon of connection, with some pupils even asking how they can volunteer in their own time — a true way of showing our Christian Values of **compassion** and **community**.

I have received and read the St Patrick's Primary School newsletter of 06.06.2025

A Prayer for Being Stewards of God's Creation

Dear God,
Thank you for the beautiful world you have given us, full of life, wonder, and joy.
Help us to care for the earth, to protect its animals, plants, and waters, and to make choices that keep it safe for everyone.
May we always cherish and respect our planet, working together to make it a better place for all.

Amen

St. Patricks Summer Family BBQ

Save the Date!

This year's Summer Family BBQ will take place on **Friday 11th July, 6–8pm** — fingers crossed for sunshine!

While tickets aren't on sale just yet, we'll let you know as soon as they are. For now, mark your calendars for an evening of fun, games, dancing, and great company!

Work of the week...

Every week a great piece of children's work is showcased in the school lobby (next to the office). Ishmael and Jessica have produced a series of work together based on 'Looking After our World'. Jessica has written an informative report on why rainforests are important and has clearly listed the consequences of deforestation.

Then they wrote a beautiful poem titled 'God made us Stewards', on why it is important to protect God's beautiful creation.

Well done for your fantastic work Jessica and Ishmael!

Attendance...

I am delighted to announce that Year 5 are winners with the best attendance this week with 97.22%. As a reward, you will receive some extra play time next week.

Please make sure your child is in school every single day unless they are too unwell to come to school. Every day counts and children who miss school do fall behind in their learning.

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Miss Toop or Ms Fearon.

We are always really pleased to meet with you and chat things through.
