Dear Parents and Carers,

## A message from Ms Richardson...

I wanted to share with you some lovely news. Ms Toop and her partner are expecting their first baby in November. Ms Toop will be taking a period of maternity leave from November and will return in 2026.

Ms Dyson, who is an experienced Head of School and has worked within our partnership of schools, will be the Interim Head of School in Ms Toop's absence. Congratulations to Ms Toop and her family.

With best wishes, Ms. Richardson (Executive Headteacher)

## Year 5 at The Camden Learning Centre

Today, Y5 visited the CLC for a Lego robotics workshop. They had to build their robot and then use Scratch to program it for a race. All the children had such a fun day and showed so much resilience and problem solving skills. There were quite a few mistakes made throughout the day, but they worked together and always helped each other to ensure everyone was successful. Ms Lowe said it was such a pleasure to see them so engaged in each challenge—never giving up!

I have received and read the St Patrick's Primary School newsletter of 20.06.2025

## Friendship is one of our nine school values at St. Patrick's..

Dear Lord,

Thank you for all our friends...

For times when we can laugh and have fun together...

When we can be quiet together and care for each other...

Please help us to be good friends. Help us to be quick to sort out problems and always be willing to forgive.

**Amen**

## Best wishes to Ms Robins...

Ms Robins leaves today for a period of maternity leave for the birth of her child. We look forward to welcoming her back next year. Congratulations to you and your family, Ms Robins. We wish you all the very best at this wonderful time and hope you'll visit us with your beautiful baby!

## Work of the week...

Every week a great piece of children's work is showcased in the school lobby (next to the office).

As part of KS1's History Curriculum, they been learning about the inspirational life of Martha Ricks.

Marta in Year 2 has written a brilliant non-fiction report all about Martha Rick's greatest achievement and her fight for equality.

She has used key historical vocabulary and was able to explain the challenges that she faced throughout her life.

**Well done Marta!**

## Attendance...

I am delighted to announce that Year 3 are winners with the best attendance this week with 97.22%. As a reward, you will receive some extra play time next week.

Please make sure your child is in school every single day unless they are too unwell to come to school. Every day counts and children who miss school do fall behind in their learning.

## Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Miss Toop or Ms Fearon.

**We are always really pleased to meet with you and chat things through.**

## Year 4 Maths Lesson

This week, Year 4 made the most of the hot sunny weather by taking their maths lesson outside! They explored how to estimate perimeter while sharpening their problem-solving and reasoning skills—all in the fresh air!
