

What have we been learning?

WB: 10.11.25

Our new topic in EYFS is **Festivals and Celebrations!** 🎆 Over the next few weeks, we'll be learning about **Diwali, Bonfire Night, Remembrance Day, Birthdays, Christmas, and Chinese New Year**. This week, we focused on **Bonfire Night**, learning about **Guy Fawkes and the Gunpowder Plot** from the past, and how we celebrate today with **fireworks, toffee apples, hot chocolate, and sparklers**. We also took time to reflect on **Remembrance Day**, thinking about the **brave men and women** who have fought and continue to fight for our country.

This week we took part in a Judaism workshop for school led by Ruth. We discussed the Torah, Shabbat, and the synagogue. We had the chance to set the Shabbat table, look at the Torah, and create a front cover for a holy book based on the Genesis 1:12 story

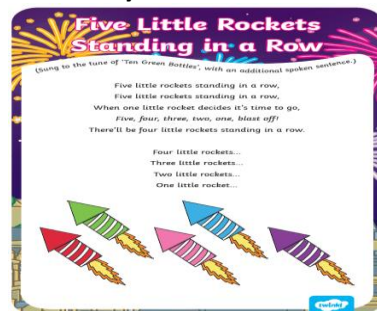

Weekly nursery rhymes

Reception: Bubbles by James Carter

<https://childrens.poetryarchive.org/poem/bubbles/>

Nursery: Five little rockets

Theme: *“Talk to me all the time – and talk about things I have done!”*

Our **Camden Kid’s Talk Stay and Play** session was a big hit this week! 🇬🇧 Thank you to all the parents and carers who joined in so enthusiastically — it was lovely to see everyone getting involved. We explored ways to support children’s talking and learning through fun **Celebrations and Festivals** activities, and practised using new words and talking about past events. We’re looking forward to seeing your **Show & Tell** photos over the next few weeks — keep chatting and exploring new words together at home!
