

What have we been learning?

WB: 17.11.25

Understanding the World

This week we have been learning all about birthdays and how we celebrate them! We began by identifying, tracing, and writing our own dates of birth, including the year. The children loved sharing when their birthdays are and talking about how they celebrate at home. We also enjoyed plenty of opportunities to 'bake' playdough cakes and explored how Kipper, from our core text *Kipper's Birthday*, celebrates his special day.

Maths

In maths, we have been learning to identify and describe different positions using the story *We're Going on a Bear Hunt*. We focused on the prepositions **over**, **under**, and **through**, and also explored others such as **inside**, **besides**, and **in between** while creating obstacle courses in our outdoor area. The children had great fun using positional language in their play!

Nativity Practice at Home

Please follow the link below, or search “**Wiggly Nativity Starshine Singers**”, to practise our nativity songs at home. The children have been working hard and are very excited to share their performance with you!

Our songs are:
