

What have we been learning?

WB: 15.12.25

Our final week of the school term has been a fun-filled and festive experience.

The class party held last Friday was thoroughly enjoyed by the children, with activities such as musical statues, musical chairs and dancing, followed by party bags to take back to class. This week, the children took part in our Christmas lunch while wearing their festive jumpers and enjoyed an afternoon pantomime performance of *The Wizard of Oz*. It has been a delightful and memorable way to conclude the term.

A huge congratulations for achieving the **Attendance Award for three weeks in a row**, with an impressive **99.75% attendance**. Fantastic commitment from our youngest learners and families keep up the brilliant work!

Top Tip 6: Screens away it's time to play!

Please do not forget all of the wonderful ways that you family can take part in fun activities designed to encourage screen-free time together over the holiday period.

Home made play dough, puzzles, eye spy, counting with pasta and cereal!

Reception: Head, shoulders, knees and toes
