## Year 6 Visit to Orangery Farms

As part of their Science and PSHE topics on nutrition, Y6 visited Orangery Farms on Tottenham Court Road.

During the visit, pupils learned how virtual farms grow and produce a variety of plants, exploring the nutrients needed at each stage of the growing process. The children also enjoyed tasting herb-flavoured water, helping them make links between healthy choices, plants, and nutrition. A fun and engaging experience for all!

I have received and read the St Patrick's Primary School newsletter of 06.02.26

## Work of the week...

Every week a fantastic piece of children's work is showcased in the school lobby (next to the office).

This week Y4 have been reading newspaper articles based on 'I was a Rat' by Philip Pullman.

**Lucas** has written an exciting and dramatic newspaper report. He has organised his work into clear paragraphs and used key features of the text type, such as a bold headline and quotes.

He has also chosen powerful adjectives and has used exaggeration to build tension.

**Really well done Lucas**

## Person of the Week!

Milan (Y3) Austin (Y5) Khaled (Y1) Amaan (Y3) Jack (Y6)

## Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Ms Dyson or Mr Magill.

**We are always really pleased to meet with you and chat things through.**

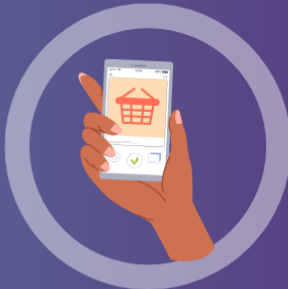

“Why do strong passwords matter and how do I create one?”

“I don't know where to start when keeping my child safe online?”

“What are parental controls and how do I set them up?”

“What do people mean when they say phishing?”
