Go shine
in the world

Dear Parents and Carers,

A warm welcome back to the new term. It is great to see everyone looking smart in their summer uniforms. A reminder 'After School' clubs start back again next week. These must be paid for in advance so, if you haven't already done so, please do organise payment for these over the weekend on Parent Pay, or Monday morning at the school office, to avoid disappointment.

With very best wishes from Ms Dyson (Head of School) and Ms. Richardson (Executive Headteacher)

Our agreed school uniform:

In the summer term, children are allowed to wear burgundy (red) gingham (as seen below).

However, if they do not wish to do so our usual uniform applies.

Children can wear plain black shoes or trainers, or, in the summer, plain black sandals. These should be worn with socks and have closed fronts (to protect delicate toes!)

Jewellery—only stud earrings are allowed, an inexpensive watch (not a smart watch).

Nail varnish is not allowed.

Thank you for supporting your child and our school with this.

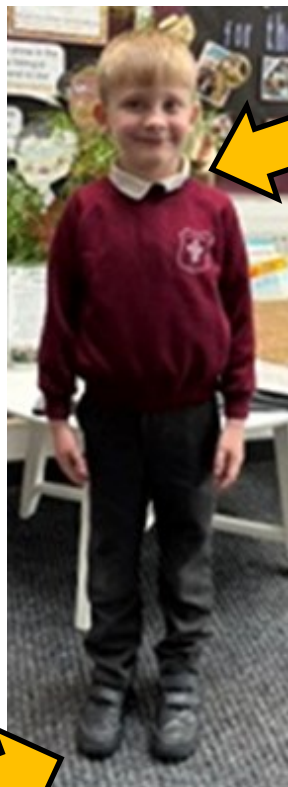

I'm sure you'll agree, when in full school uniform, St Patrick's pupils look so smart :-)

Our School Prayer (2nd Sunday of Easter)

Lord Jesus,

Help us to remember the words of Thomas,
'My Lord and my God'

And make them our own prayer.

Help us to 'see' you in the actions

and words of the people we meet

So that day by day,

Our belief in you will grow stronger

Amen

Attendance...

We are delighted to announce that the winners with the best attendance this week are **Year 1 with 95%**.

attendance.

As a reward, they will receive even more

extra play time next week.

Please make sure your child is in school every single day unless they are really too unwell to come to school. **Every day counts and children who miss school fall behind in their learning.**

Work of the week...

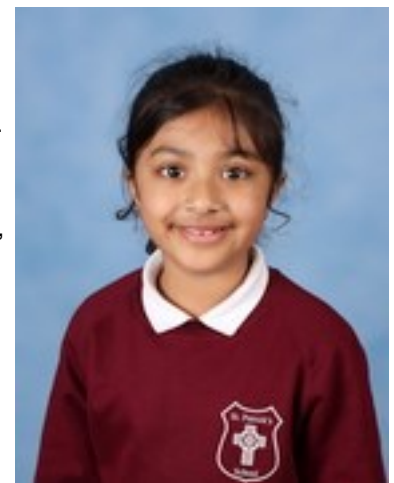

Every week a fantastic piece of children's work is showcased in the school lobby (next to the office).

In Maths, Year 3 have been learning about 'mass' and how to measure and compare objects according to their mass.

Afreen has shown a fantastic ability to read different scales and calculate the increments. She can read scales accurately to find out the mass of different objects, as well as compare different masses, deciding which objects are lighter and heavier.

Really well done Afreen!

Person of the Week!

Well done to all of these children for living out our school values this week.

EYFS— Zoey

Y6— Maddison

KS1— Kami

Y4 — Abukmaria

Y3—Afreen

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Ms Dyson or Mr Magill.

We are always really pleased to meet with you and chat things through.
