

What have we been learning? WB: 18.05.26

This week, the children have been focusing on the story *The Very Busy Spider* by Eric Carle. They have thoroughly enjoyed orally retelling the story using our farm small world resources and creating their own stick puppets to bring the characters to life.

In Maths, the children have been learning to select shapes for a purpose. They have been manipulating and rotating shapes to create tangrams and Numicon board pictures, developing their spatial awareness and problem-solving skills through practical, hands-on activities.

Dates for the diary

Stay and Play:

Thursday 4th June 2026- Nursery
Parents

Thursday 11th June 2026- Nursery
Parents

Thursday 25th June 2026- Nursery
Parents

Thursday 2nd July 2026- Reception
Parents

We are excited to invite our nursery children and their parents into school for a special “Getting Reception Ready” session. During this interactive workshop, parents will have the opportunity to work alongside their children and explore some of the key skills that support a successful start in Reception. Activities will focus on developing gross and fine motor skills, listening and following instructions, and early maths learning through fun, practical experiences.

Thursday 4th June 2026- Nursery Parents

Thursday 11th June 2026- Nursery Parents

Thursday 25th June 2026- Nursery Parents

Where can I find more resources?

We've also put together a list of organisations and resources to help you and your child get ready together.

These can be accessed online at <https://startingreception.co.uk>.

We will also be holding a transition session for our current Reception children as they prepare to move into Year 1. This session will focus on building confidence and independence through a range of engaging gross and fine motor activities, maths learning, and early writing tasks to support a smooth and positive transition into the next stage of their learning journey.

Thursday 2nd July 2026- Reception Parents
