

What have we been learning? Week ending 26.06.26

Our EYFS children had a wonderful trip to Kentish Town City Farm, where we saw pigs, goats, quails, chickens, a cockerel, horses, sheep, cows and a donkey. We were especially lucky to get close to a goat! The children learnt about the different sounds the animals make, where they live, and some fascinating facts about them. It was a fantastic learning experience and a wonderful place to visit with your family over the summer holidays.

Dates for the diary

Stay and Play:

Thursday 25th June 2026- Nursery
Parents

Thursday 2nd July 2026- Reception
Parents

Presentation to Parents:

Monday 29th June 2026 3:00pm school
hall

Sports Day:

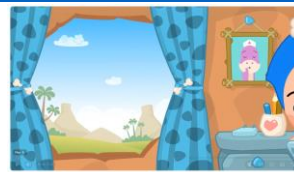

Wednesday 1st July 2026 2:15pm

The grand old Duke of York

School Radio • Reception / EYF • Nursery Rhymes and Songs • A-Z 2

What have we been learning? WB: 26.06.26

Thank you to all the parents who joined us for today's Stay and Play session, especially given the very hot weather. We really appreciate your support and hope you enjoyed taking part in your child's learning.

During today's session, we focused on developing early maths skills. The children explored recognising patterns by sight, understanding that numbers can be made up of different parts (for example, 4 and 1 make 5), and identifying and discussing the properties of different 2D shapes.

Our final Stay and Play session of the year will take place next Wednesday. This session will be for Reception parents only and will focus on supporting the children's transition into Year 1.

We look forward to seeing you there.
