Our School Prayer This Week

Dear Jesus,

You welcomed Matthew with kindness
And forgave him with love,
Offering him your friendship.
Help us to remember
That our heavenly Father
Is always ready to forgive us
And give us a new beginning.
Guide us to show that same kindness,
So we can forgive others
As we journey through life together.
Amen

Work of the week...

Every week a fantastic piece of children's work is showcased in the school lobby (next to the office).

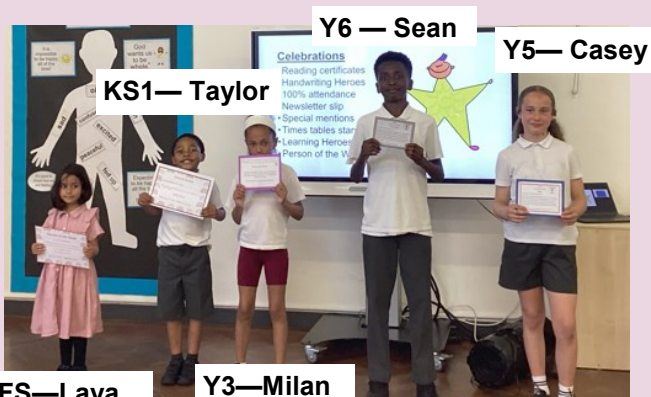

Year 5 have been learning about the **Ancient Maya Civilisation** in History lessons. **Abel** wrote an explanation text demonstrating how the Maya were an advanced civilisation and considering likely reasons for the collapse of the great cities. Abel's explanation is clear, engaging and informative. It is one of the many exemplar pieces in Year 5. Pay particular attention to the way Abel uses clear subheadings, dates and facts to inform his reader.

Abel has worked hard to use more ambitious vocabulary and to keep to an appropriate, formal tone to convey authority on his subject matter. He has also worked extremely hard on his handwriting this year, sustaining fantastic presentation all the way through his report! **Well done Abel!**

Person of the Week!

Well done to all of these children for living out our

Attendance...

We are delighted to announce that the winners with the best attendance this week are **Year 3** with an impressive **92.9% attendance**.

As a reward, they will receive extra play time next week.

Please make sure your child is in school every single day unless they are really too unwell to come to school. **Every day counts and children who miss school fall behind in their learning.**

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Ms Dyson or Mr Magill.

We are always really pleased to meet with you and chat things through.
