

What have we been learning?  
WB: 11.12.23

We have been using this week to consolidate our learning about The Nativity Story. The children have also taken part in the EYFS and Key Stage 1 Nativity this week and have been superstars in learning their angel song! The week has been full of Christmas crafts and activities that have helped the children develop their problem solving and artistic skills.

We also had lots of fun at our class party where we had games, party foods and lots of dancing!

How can you help your child with their learning?

Maths

Get a bucket and 5 balls - you could scrunch up paper balls or roll pairs of socks into balls. How many balls can you throw into the bucket? Count them as they land inside the bucket. You could make the game more of a challenge by moving the bucket further away.

Nursery rhyme of the week

1, 2, 3, 4, 5, Once I  
Caught a Fish Alive

Reception have been recapping the sounds they have learnt so far. Use your homework book to practice writing them!
